CLASS OF 1942

September, 1938, heralded the approach of a group of never-to-be forgotten freshmen (so we thought) into the portals of Rock Springs High School. We started with a bang by winning the Pep Yelling Contest and by sponsoring a party which was one of the best of the year. Everyone was astounded, including ourselves, when we won the Citizenship Cup—an honor which very rarely comes to the freshmen.

After a blissful summer of doing nothing, we again entered R. S. H. S. with nothing on our minds but to heckle the incoming freshmen. But woe and behold, we were still dubbed "underclassmen" by the haughty seniors. This year also marked a well-attended party given by the sophs. The year came to an end with final examinations, and all of us hoped and prayed that we would come out all right in the end because we did so want to be juniors.

Then came our one big moment; we were finally to be known as "upperclassmen." But we still must have looked rather green because the seniors commented on how the pupils seemed more and more to revert back to their infancy. We all turned into "social butterflies" for a night and gave a Junior Prom that was something to be remembered. This was certainly one night when we thanked our lucky stars that we had attended the "Learn to Dance" mixers and had got over the idea of blushing whenever a cute little thing favored us with a shy glance from her cornflower-blue eyes.

Finally after much worrying and stewing, we became seniors. Just think—now we were going to be treated with some respect by the teachers and underclassmen! The fact that we were given the privilege of electing the King and Queen of Homecoming convinced us of this. The Senior-Alumni Dance was our big social event, and we are certain that it got everyone into the right Christmas spirit. Commencement marked the end of these four happy years, and we were faced with the fact that this night was the last time we would ever again march down the aisles of the Auditorium as students of Rock Springs High School.

FOOTBALL

Seven lettermen and an encouraging number of recruits enthusiastically answered the initial call of our new mentor, Howard Bash, and his assistant, Leonard Stensaas.

Activities began with the usual two weeks' practice at Newfork Lake. Several prospects were added to the line up, and on a rain-soaked Rawlins' field the football season officially opened. Tiger fans witnessed many thrillers during an exciting season, especially the traditional Armistice Day game with Green River, in which the Wolves carried away the district title.

Wildermuth and Marshall were honored on the all-state team.

BASKETBALL

The Tigers broke even during the basketball season by winning eleven and losing eleven of the twenty-two games scheduled. The games played with Green River and Superior proved to be the most thrilling of the season.

We entered the finals of the District Tournament by playing Superior for first place. The Orange and Black won by the narrow margin of 28-30. Buchan was the senior member of the team to place on the All-District Team. At State Tournament in Casper our boys proved they could take it with the best of them by battling through to fifth place. Taucher was named to the All-State Team.

GOVERNMENT OF THE PEOPLE, ...

. . . by the people, and for the people is the policy of the Rock Springs High School Board of Control. It is the duty of this Board to interpret and enforce all policies and also to present, vote on, and enforce acts concerning new issues each year.

The Board is composed of the president, June McTee; vice-president, Paul Wataha; secretary, Patricia Griffith; and treasurer, Helen Pulos. These officers were chosen at a general election held last spring, at which time were also chosen the chairmen of the various councils: Rose Capen, Bette Rogers, Clarence Johnson, and Paul Juel. This year, for the first time, the four class presidents also became members.

A few of the projects which were under the supervision of the Board were the "Get Acquainted" teas and parties, a "Clean Up" campaign, the basketball identification board, and the newly organized Defense Council.

Much of the credit for the success of our school can and should be attributed to the Board of Control, and to its sponsor, Miss Agnew.

LUSTY BOOSTERS . . . . . .

. . . to our team's morale are the cheerleaders and the girls who belong to the Pep Squad, an active organization which does much to promote school spirit and to create enthusiasm among the students of the Rock Springs High.

The Pep Squad was begun on a small scale in 1938 by Miss Capen; membership was greatly increased the following year. The forty members who make up this year's Pep Squad are divided into five committees, with the various duties that fall on their shoulders distributed and alternated among them.

A few of the accomplishments of this group of Pepsters during the year were yelling and cheering at all football and basketball games, entertaining between halves at many games, giving numerous pep assemblies, and acting as ushers at various affairs.

The leaders of the Pep Squad are the eight cheerleaders, who often provide their own entertainment through the stunts they perform in trying to stir up a high degree of "pep."

EL CLUB ESPANOL . . . . . .

. . . SE ABRE LA SESION—thus on Tuesday and Thursday afternoons the president opens the meetings of the CLUB ESPANOL.

In the fall the big problem is what to present for our annual assembly program. Sometimes it's a play, "MI NOVIO ESPANOL," or a Pan American day program with a swift flight over the Americas, or we may take our audience to EL PATIO in Mexico City with a gala floor show. Our dancers swing into action with castanets and tambourines; and guitars, accordions, and a marimba give us Spanish rhythms.

Singing is a favorite part of the club meetings. LA GOLONDRINA, LA PALOMA, and many others soon become familiar. JUEGOS and occasionally REFRESCOS keep the members from becoming DEMASIADO SERIOS and at Christmas time the PINATA is made and filled.

Students begin to ask, "When is the Spanish banquet going to be this year?" and soon plans get under way for the traditional fiesta, with the important item of the menu to be settled first. Shall it be ARROZ A LA VALENCIANA or ENCHILADAS this year? Then the program must be considered and favors made as RECUERDOS.

WHAT'S WATT? . . . . . .

. . . is the question, and the girls who take Household Electricity are certain to know the answer. This enterprising group, ever in search of new fields to conquer, has finally proved to the boys of the Shop Department that girls are not altogether helpless.

This activity, which was organized under the capable direction of Mr. Hess, has become very popular. Its popularity is proved by the fact that twenty-eight girls are now enrolled in the course.

Time has been spent learning how to repair cords for electrical appliances, how to wire light bulbs and lamps, and how to read meters. The necessary precautions were especially stressed so that the performance would not end in "shocking" results. The girls also constructed articles made of wood—such as lamps, book ends, and footstools. Even the most skeptical members of the opposite sex have been forced to admit that the results were "not bad!"

SPORTS HONORS . . . . . .

. . . are achieved by the members of the Girls' Athletic League, commonly known as the G. A. L.

This active group of girls carries on an extensive athletic program throughout the year. They participate in such sports as basketball, baseball, volley ball, tennis, archery, tumbling, and track. Ribbons and medals are presented to the winners of these events. A point system is used for awarding letters, emblems, and pins. The highest award that can be obtained is a gold pin.

In addition to the more energetic forms of entertainment, the girls do not ignore the social element and have an initiation for new members at the beginning of the year, a series of parties, and also a picnic.

The league is under the direction of Miss Souder, assisted by a board consisting of Pauline Wesswick, president; Haruko Okano, vice-president; Jennie Bernard, secretary; Doris McQuillan, treasurer; and Sylvia Manatos, head of sports.

THE PLAY'S THE THING . . . . . .

. . . which brings out the dramatic talent of pupils in our school and also provides a very pleasant form of entertainment for all.

Mid the entrance and exit of ghosts, terrifying screams, and a general mix-up of keys, our first production, "Seven Keys to Baldpate" was given. The mystery took place at Baldpate Inn and was filled with many thrilling episodes.

"Yes and No" was the second production of the year. The first act of this play showed what would have happened if Jo, the leading character, had said no; the second act, what would have happened if she had said yes; and the epilogue; what really happened.

The presentation of four one-act plays marked the annual play festival which was held in February. A variety of burlesque, mystery, comedy, and drama was enacted in the four plays: "Funny Business," "The Giant's Stair," "Good Medicine," and "The House With the Twisty Windows."

The senior class play, "The Milky Way," was given in April as a grand finale to the season.

EXTRA! EXTRA! . . . . . .

. . . Read all about it! Our "Sagebrusher" tells you everything from who has the latest "feather bob" to "who's courtin' who" this month. Sports, gossip, editorials, and general news share the limelight in our popular monthly periodical.

The exciting task of gathering these news items goes to the members of the Journalism Class, whose job it is always to have their eyes and ears open for any bits of news that may be gleaned from the general whirl of school life.

To a senior goes the privilege of being editor. This year's editor is Jean Strock, and her duties are wide and varied—from weeding out the choice bits of gossip submitted by the reporters, to proof reading and arranging all copy. The business-manager, Louise Koritnik, directs a group of advertisers, Frances Bernard, Virginia Bergen, Lillian Leskovec, Zora Radman, and Margaret Jean Thompson, who sell ads to the business firms in town.

Capably advised by Miss Riggs, the "staff" has attained much valuable newspaper training by publishing the issues of the "Sagebrusher."
